COMPRESSION WEAR

FOR YOUR LIFE & LEGS®

## Capabilities

LEGEND® Compression Wear is a North Carolina company. All of our LEGEND TUFF™ Compression Merino Wool Tactical Boot Socks, LEGEND® Compression Performance Socks, Leg Sleeves & Recovery Socks are proudly made in North Carolina- USA. Our mission is to "Extend the life of your legs" with our cutting edge *Graduated Compression Technology*.

- **Naval Special Warfare Group ONE (Navy SEALs) wears LEGEND TUFF™ Socks: Berry Amendment Compliant, Flame Resistant, Merino Wool.**
- Compression Merino Wool Boot/Outdoor Socks is for highly active military & tactical use.
- Compression Performance Socks for all sports, PT and high impact activities.
- Compression Leg Sleeves for all sports & running to prevent shin splints/calf cramps.
- Compression Recovery Socks for post exercise fatigue to prevent injury, improve blood flow in legs, speed recovery and for travel (20 -30 mmHg firm compression).
- Diabetic Socks options available with mild compression (8-15 mmHg, antibacterial/fungal)
- "Made in the USA" to meet many government & military purchasing requirements.

## Differentiator

LEGEND® Compression Wear socks are made to the highest quality and production standards. Produced in ISO certified mill using "state of the art" Lonati Circular Knitting machines. Compression levels & quality are tested on the most sophisticated QA equipment available in the industry. Only the finest yarns are used (including berry compliant yarns where indicated) in production. Select from many sock styles to meet your needs.

- LEGEND TUFF™ Compression Socks have over 53 % merino wool, mild 8-15 mmHg compression, cushion on the sole and shin where needed, nylon covered wool for extra durability, moisture wicking, odor resistant, warm when it's cold, cool when its warm- Low shrinkage after washing.
- LEGEND® Compression Performance Socks & Leg Sleeves utilize 15-20 mmHg moderate (Therapeutic) compression to enhance power, endurance and overall improved performance. Unique cushion on sole and arch support for comfort mile after mile.
- All LEGEND® Compression Socks and Sleeves utilize graduated compression to improve blood circulation and reduce swelling in the feet and legs.
- Your feet and legs feel fresh after long hours on your feet and after high impact activities.
- The LEGEND TUFF™ Compression Merino Wool Boot/Outdoor sock is specifically design for soldiers in the field.

## Past Performance

LEGEND® Compression Wear is sold nationally to independent running and sports specialty retail stores. Currently sold in several "Top 50" running stores in America. LEGEND TUFF™ Merino wool line is sold to Outdoor Retail market, government, military facilities & tactical.

- **Naval Special Warfare Group ONE (Navy SEALs), Coronado has issued and purchasing LEGEND TUFF™ socks for their teams!**
- LEGEND TUFF Compression Merino Wool socks sold by Dunham Sports (big box retail).
- LEGEND® Sports Compression Socks & Sleeves are sold nationally by many independent running, hiking, outdoors and sport specialty retail stores.
